Children, even more so than their elders, need food that contains brain, bone and teeth-making elements. No food has these in such quantity and quality as good, sound, wholesome bread—the kind we bake. If you don't know our bread, try a loaf today. It is so much better than the ordinary sort.

SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

Mr. I. H. Zabriskie is placing one of the Pacific Fence Construction Company's fences around the beautiful home site of Wm. H. Ridgeway who recently purchased the property from Fred H. Drake of the San Carlos Land Co.

The business of G. B. Hollenbeck the contractor and builder, has become so extensive in this section that it has become necessary for him to establish a lumber yard in San Carlos. He will establish an office in the same building with the San Carlos Land company and will place Miss Beatrice Juneau in charge as secretary and bookkeeper. Miss Juneau will also act in the capacity of secretary and local agent for Mr. Fred H. Drake the realty operator. Owing to a number of children being confined to their homes with measles and a number of others who have been exposed the school board decided to close the schools the past week, and until Monday the 2nd. Measles in the homes prevented a number of San Carlos folk from attending and patronizing the concert of the Redwood City Choral Society last Monday evening.

WOODSIDE NEWS NOTES

Camille W. Nicolas of Mountain View, aged 26 and Miss Hazel Schenkel, the pretty young daughter of Mr. and Mrs. D. Schenkel, aged 21, of Portola, were united in marriage this week at the home of the bride's parents. The young couple will reside at Mountain View where the groom is in business. Mrs. Nicolas is an unusually pretty woman with a host of friends on the peninsula.

A wild duck was shot at the Spring Valley Lake close to the Family Farm last Sunday by one of the members of the club. It was sent to Mr. and Mrs. A. A. Hicks, San Francisco. Mrs. Hicks in preparing the giblets when she discovered a gold nugget in the gizzard of the duck valued at \$2. Word was sent to the Family Farm and ever since men have been digging in that vicinity for the hidden gold mine. The duck evidently picked the nugget from an abandoned gold mine discovered many years ago by the late Domingo Grasso who worked it up until the time of his death. It lies close to the lake.

Marie Holten Schlyer, an old-time resident of Woodside, departed during the week for her old home in Germany. She goes to settle up the estate of her father. She has not visited the home of her birth in many years. Many of her former friends were killed in the war. The proprietor of the States Restaurant in San Francisco has purchased a number of acres of land in Portola Woods adjoining the property recently bought in the tract by W. H. Diamond. A neat residence will be erected shortly by the new owner. Portola Woods is the property of the Spring Valley Water company.

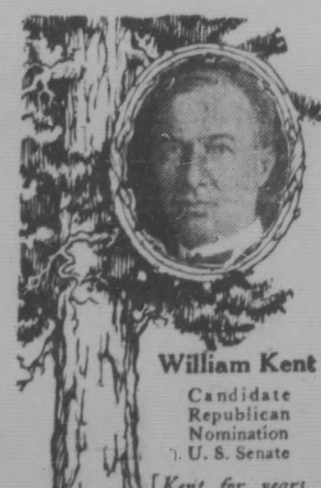

BERT WERDER MET WITH A BAD ACCIDENT THIS WEEK

Bert Werder, superintendent of the National Magnesia Manufacturing company, is nursing a badly injured foot as the result of an accident last Monday night.

But for the presence of mind of his 16-year-old son, Brenton, he would have lost a leg. Werder and his son were riding on an engine of the Redwood Harbor Company when Werder slipped from the engine and his foot was caught on the track. Brenton Werder stopped the engine in time to save his father's foot, although a small piece was cut off.

THE "MATTER WITH AMERICA"

(From the Fargo (S. D.) Forum)
What's the matter with America these days?

Too many diamonds, not enough alarm clocks.
Too many silk skirts, not enough blue flannel ones.
Too many pointed-toe shoes, and not enough square-toed ones.
Too many serge suits and not enough overalls.
Too much décollete and not enough aprons.
Too many satin-upholstered limousines and not enough cows.
Too many consumers and not enough producers.
Too much oil stock and not enough savings accounts.
Too much envy of the results of hard work and too little desire to emulate it.
Too many desiring short cuts to wealth and too few willing to pay the price.
Too much of the spirit of "get while the getting is good" and not enough of the old-fashioned Christianity.
Too much discontent that vents itself in mere complaining and too little real effort to remedy conditions.
Too much class consciousness and too little common democracy and love of humanity.

Fred Nessler has received an invoice of both comical and fancy novelties in Valentines. He has the latest designs. Come and select what you want. February 14 will be St. Valentine's day. Make your purchases before the stock is sold out.

The many friends of Miss Elena Eyre, the pretty and winsome daughter of Mr. and Mrs. P. P. Eyre, will be pained to learn of her severe illness, in San Francisco. It is to be hoped that she will soon recover.

Mrs. Anna Marion Geary, nee Smyth, passed away at her home in San Francisco last Monday. She lived here in her girlhood, twenty years ago and was well-known. Her brothers and sister were prominent in social affairs of the village at that time. Shortly after leaving here she married James J. Geary, a teller in the Hibernia Bank of San Francisco. Her sister, Miss Margaret Smyth, passed away in the city a short time ago. Mrs. Geary was a native of Oakland, aged 42 years. Besides her husband she is survived by two children, Margaret and Regina Geary, and three brothers, Dr. W. J. Smyth of Oakland and John and Wm. Smyth of San Francisco. The Smyth family was very well-known here in those bygone days.

The many school friends of Mrs. Alice Cecil Decker, nee Wooster, wife of Doctor Charles W. Decker of South San Francisco, were pained to learn of her sudden death at San Francisco on Tuesday last. She went to the city to be near the bedside of her husband who was stricken with influenza. She contracted the dreaded disease and soon succumbed. She was formerly known as Miss Alice Wooster and was the youngest daughter of Charles Wooster of Palo Alto. Mr. Wooster was a trusted employee of the late Senator Leland Stanford in pioneer days at Sacramento and when the senator came to Palo Alto he brought Mr. Wooster with him. The deceased was born at the Stanford residence 29 years ago. She attended the grammar school here and some years ago was married to Dr. C. W. Decker, son of Dr. Decker, the veteran dentist of Palo Alto.

She was a young woman of unusual beauty, winsome in manner, re-

finéd and possessing a charming personality. Her sudden death is a great loss to her two little children of tender age, Charles and Florence Decker. The funeral took place on Thursday morning from the Wooster home at Palo Alto. Interment was in Holy Cross cemetery here. Mrs. George Casey of Palo Alto was a sister of the deceased.

Born—To Mr. and Mrs. Edmund Frederick Oswald (Clara Elizabeth Barney of Atherton) a daughter (Mary Lydia.) The new little girl is named for her great grandmother, who recently celebrated her 92nd birthday. The baby's father is an accountant and has just returned to the peninsula from his special accounting work for the government at Washington, D. C. Prior to this he was resident manager of the Palo Alto Gas company. During the war Mr. Oswald was chief clerk under Major Fluegel of the quartermaster's department at Camp Fremont and when that department was closed he went with the major to Washington. Mr. Oswald is at present an accountant at St. Patrick's Seminary.

The Native Sons and Daughters Parlor held a joint installation in Duff and Doyle hall on Monday evening last. It was a big event and many members from out of town were present. After the impressive ceremony a banquet was given that was enjoyed by all, the ladies having provided the good things for the supper. Fred A. Reynolds, the attorney and district deputy grand president installed the following officers of Menlo Parlor, N. S. G. W.:

Roland Midgley, president; Charles H. Smith, first vice-president; Joseph Nash, second vice-president; George Murray, third vice-president; W. A. Doyle, treasurer; Frank W. Johnson, financial secretary; Donald Derry, recording secretary; Frances E. Maloney, district deputy grand president of the Native Daughters installed the following officers:

Mrs. Annie Doyle, trustee; Mrs. Johansen, trustee; Mrs. G. Casey, past president; Mrs. Julia Bowles, president; Mrs. Quiffelt, inside sentinel; Mrs. Blanchard, outside sentinel; Mrs. Andrews, first vice-president; Mrs. Wm. Doyle, second vice-president; Mrs. Mitchell, third vice-president; Mrs. Kavanaugh, marshal; Mrs. Britschgi, secretary; Mrs. Derry, treasurer; Mrs. F. Maloney, recording secretary.

Forty students of the William Warren school were guests at the home of Mrs. Charles M. Wood at Atherton last Saturday night. The hosts were Robert Wood and Perry Pond. Mr. and Mrs. Warren accom-

panied the boys to the scene of pleasure. Dancing and games were indulged in when refreshments were served by the young hosts who proved themselves clever entertainers. The visitors greatly enjoyed the evening.

Mrs. William S. Thomson has sold her beautiful residence on the Alameda, Menlo Heights to A. King, a wealthy resident of Los Angeles. Mr. King is going to make many improvements on the property. A large family orchard is to be planted at once. The residence is one of the finest in that section.

The Native Sons and Daughters are completing arrangements for their card party to be held on next Wednesday evening in Duff and Doyle hall. Excellent prizes are to be given the winners of the game. This will be the last card party before lent in Menlo Park. The lenten season begins on Wednesday, February 18. Come and enjoy yourself and may be win one of the prizes.

Mrs. Gertrude Carroll has disposed of her home on the Alameda at Menlo Heights to a Denver capitalist who is to take possession of the property next week. Mrs. Carroll will make her home in Menlo Park.

Decree of Distribution—Estate of Nellie P. Moulton to Phyllis Moulton Merrill, lots 219A, 216A, 2.22 acres in lot 228, Briceland Tract, Menlo Park, 1-4 interest 30.78 acres in lot 2, Valparaiso Park.

Mortgage—Cornelia Kempff to Mrs. Hannah Higgins, \$4000, interest in Selby Estate.

A deed was filed in the county recorder's office on Monday whereby the heirs of the Con O'Connor estate transferred to Charles Weeks the 100 acres at North Palo Alto known as the "Hop Ranch" and held by the heirs for many years. By the revenue stamps on the instrument it would appear that \$60,000 was paid for the property. Mr. Weeks has sold more than half the property to poultry men who intend locating there. The land adjoins the chicken colony at Runnymede.

The old Stanford residence stable which several years ago was moved from the grounds of the estate over to the Stanford campus, is being torn down. This is the first step in clearing away a number of buildings connected with the work of the physical upkeep of the university grounds and concentrating all these structures within the narrow limitations of the present corporation yard proper.

Born—To Mr. and Mrs. E. J. Stanley, Jr., a ten-pound boy. Mr. and Mrs. Stanley removed from Palo Alto a few months ago to the Richmond district of San Francisco, where they now live. Mrs. Stanley was Miss Josephine Moynihan. Mr. Stanley was a member of the choir of the church of the Nativity up until a short time ago.

W. J. Murray has purchased the corner on Golder and Railroad avenue in the Merrill block in which is located the Depot restaurant and ice cream parlors adjoining. It is a choice parcel of property.

The Puritan restaurant building owned by Duff and Doyle and ad-

joining their store was sold this week and will be moved to a lot on Santa Cruz avenue.

The census enumerator has failed to appear in many homes here and at Atherton. Scores of families complain that no one has been to see them to take the census. This is a deplorable state of affairs.

NATIVE SONS AND NATIVE DAUGHTERS HELD JOINT INSTALLATION THURSDAY

The Native Sons and Native Daughters parlor of this city held a joint installation in the lodge hall of the former in Foresters' building on Thursday evening. After the ceremony a splendid banquet was served by the ladies.

Shields; first vice-president, Philip Bozzo; second vice-president, Frank Griffin; Chas. Rockwell, third vice-president; Stanley Marcus, marshal; F. A. Reynolds, trustee.

JUDGE BUCK RENDERED A DECISION WEISSHAAR VS. CALIFORNIA TIE COMPANY

Judge Buck has rendered a decision in the civil suit of Frances M. Weisshaar and others against the California Tie company. Plaintiffs brought the action to close to the public that portion of the Page Mill road that runs through the Weisshaar ranch near La Honda and through the property of adjoining land owners. The road has been used by the public for over forty years and was considered a public highway. The opinion of the court is as follows:

"For more than forty years the road called the Page Mill road has

been used by the public and the right to so use it was not questioned until the year 1919. By general reputation this road has during all that time been known as the Page Mill road and during all that time the road was kept in repair by the people living along the line of the road and by the county of San Mateo.

"The question now is can these plaintiffs say where shall and who shall not pass over the road, can they prevent the use of the road by the public and name the parties who shall use it. I shall have to hold for the defendants and judgment will be entered accordingly."

Ross and Ross were the attorneys for defendant.

GEORGE CALLAN WAS ADMITTED TO PROBATION

George Callan, son of Matthew Callan of Colma, late yesterday afternoon pleaded guilty in the superior court to a charge of failure to provide for two minor children. He was admitted to probation by Judge Buck on agreeing to pay \$50 to the clerk and \$40 a month thereafter. Callan disappeared last November

and was arrested at Sutter Basin by Deputy Sheriff McGovern last Thursday and brought to Redwood City.

GRAND JURY REPORTS

Late yesterday afternoon the grand jury made its final report and was discharged. The report, which was very brief contained no sensational of any kind. The report recommended that the rate of interest on money deposited in banks be raised from 3 to 3 percent and that county government be taught in the high school and the higher grades of the grammar schools.

From Dairy to Doorstep

How we handle the milk that is used by over 60 per cent of the people in Palo Alto and Menlo Park

Redwood Branch--Redwood City Creamery
282 Main Street

DELIVERY

(BRIEF SYNOPSIS OF PRECEDING ARTICLES)

(Cows are washed daily and given clean food. Bulls are sprayed and painted with disinfectant liquids. Milk is obtained insensitively patent-covered milk pails in which it is immediately cooled, and rushed to our downtown store. The milk is there clarified, whereby foreign substances are ejected, which is more efficient than training. After this comes Pasteurizing—a process which kills all germs, thus preventing possible infection from tuberculosis, diphtheria or scarlet fever bacteria. After Pasteurization the milk is cooled, and after cooling, milk is pumped into the Automatic Sanitary Bottling Machine and bottles are filled and capped entirely by machinery. This is the only creamery using machine bottling process.)

After being filled, the bottles and cans are kept in the Ice Box until ready for delivery. Never more than three hours elapse between milking time and delivery time.

Our guarantee of fresh milk is based on this fact: Our entire process from Dairy to Doorstep is completed within THREE HOURS

The "rainy days" inevitably drench those who fail to save in the days of prosperity.

Time passes swiftly—and on the park benches of every city are striking examples of those who failed to note its passing.

One of the fundamental purposes of this institution is to encourage saving—and tens of thousands have responded to our call.
